Edgewood Cemetery Patronage Rules

Control is reserved over all improvements placed upon lots. All work done, such as lot care, planting or removing shrubs, etc., shall be done by the Cemetery Personnel, or under their supervision or authorization.

No walls, fences, landscaping gravel, lighting (including solar powered or perpetual lighting), or above ground enclosures will be allowed in the Cemetery.

During mowing season, April 1, to October 1, no objects, including flowers, will be allowed that will hinder mowing operations. Such objects must be removed by family members by April 1st of each year.

No flower containers or objects may be placed on lots, except those that have been approved by the Cemetery Committee. Flower arrangements placed on monuments above ground will be allowed.

Artificial flowers placed in approved containers or on monuments should be removed by member(s) of the family within a reasonable time. Any such flowers which become faded, obsolete, out-of-season, or unsightly shall be removed by Cemetery Personnel.

Domesticated animals shall be restrained by leash while on the Cemetery property.

No trees or shrubs shall be planted on lots nor shall any trees or shrubs growing thereon be removed without the consent of the Cemetery Committee.

No sign indicating that a lot is for sale or for other advertising purposes will be permitted on the grounds.

The Cemetery visiting hours are from 8:00 a.m. to sundown. It will be closed to visiting when there is snow or ice on the ground unless there is a funeral.

Stacking of graves is prohibited.

Only two cremation burials or one cremation and one conventional burial will be allowed per grave space.

Burial of any animal will not be permitted.
